GOLD COAST CONVENTION ADMINISTRATIVE COMMITTEE

Money Handling?: **variable**

A. **PURPOSE** The Administrative Committee holds separate, periodic and special committee meetings and carries out the will of the Convention Committee. Its function is to ensure that the various Subcommittees work together and to assist those Subcommittees, however it is not necessary for the Administrative Committee to involve itself directly in the specific workings of each Subcommittee. The members of the Administrative Committee discuss the performance of the Subcommittees as well as the overall budget and other matters which affect the convention. The results of these discussions are included in reports at Convention Committee meetings. The Administrative Committee drafts a schedule of meeting dates for the Convention Committee as soon as possible. This schedule is then approved by the Convention Committee and distributed to all members. It is advisable to choose a night on which meetings will be held and schedule all meetings on that night throughout the duration of the planning period. The Administrative Committee also makes regular reports to the ASC. Comments and suggestions from the ASC are included in the Chairperson's report.

https://drive.google.com/drive/folders/1NV7Y9zMruPV7W0U8_3JYpnEuEjW17_R?usp=sharing

I have already digitized 21,000 pages of historical documents right now, but not all of them are gold coast. there are in the neighborhood of 80,000+ pages left to scan. Leads tp 2 questions: Do you guys want the stuff that isn't gold coast specific? If so, which parts? our region, other regions, World level, Zonal, area's inside or outside our region/state/zone/etc. Any input the area wants to provide, or any questions anyone has, please feel free to contact me.
