### LITERATURE REVIEW COMMITTEE PURPOSE:

All Conference Approved literature published for Narcotics Anonymous is produced from within the fellowship. These items may be initiated by individuals, but true group conscience is obtained initially through the efforts of the Area Subcommittee. Can initiate and/or produce review form items. They should also use meetings and/or workshops to collect input from the fellowship on review and input form literature and to inform the fellowship about approval form literature so that a true group conscience can be forwarded through the service structure to the World Service Conference.
