

We've got a new book in the making!

*compiling our experience with
applying spiritual principles
in our daily lives*

Visit the landing page for the Spiritual Principle a Day (SPAD) Book Project at www.na.org/spad where you'll find:

- Principles and quotations to inspire you to write on your own or host workshops
- Up-to-date information about Fellowship review and input (R&I)

How do we practice spiritual principles?

Members' experience forms the very fabric of each entry drafted for the SPAD book project. We weave together your submissions to create literature that's truly ours. Visit na.org/spad for selected quotations to inspire your writing or use in a workshop setting. Consider planning regular get-togethers with your friends, sponsees, or home-group members to contribute to this effort, or working through your local service body to form a project-based workgroup or ad hoc committee.

Submit your writing on these principles by the end of February 2020:

*Authenticity • Awareness • Courage • Freedom • Hospitality
Inclusiveness • Integrity • Patience • Prudence • Self-Acceptance*

Coming in November 2019—Review & Input, Batch #2:

- 45 new entries on 8 more spiritual principles
- The preface including our list of 83 spiritual principles

Let us know what you think about these new drafts!
