World Services

The moment many of you have been waiting for is here: The 2020 *Conference Agenda Report (CAR)* has been posted at www.na.org/conference. Versions in Arabic, French, Portuguese, Spanish, and Swedish will be published by 26 December 2019. We are working on PowerPoints and videos to help with *CAR* workshops. We will post these as soon as we can to www.na.org/conference. Thank you for your patience.

We mailed copies of the *CAR* to Conference participants, zonal contacts, regional service committees, and zonal forums this week. We will fill all orders for paper copies of the *CAR* as quickly as we can. If you would like to order paper copies, you can do so using the order form posted on the Conference page or through our webstore <https://cart-us.na.org/conference-agenda-report-9140>. Each copy costs \$13.50, which includes shipping and handling, but does not include taxes.

Once again, the *CAR* includes a survey about literature, service material, and Issue Discussion Topics. This time, the survey also includes some questions about literature and service material categories and accessibility. Please fill out the survey and pass the word so others can complete it, too: www.na.org/survey. This year's *CAR* also includes a draft of a proposed new IP, "Mental Health in Recovery," motions from the Board related to the *Fellowship Intellectual Property Trust* and the Strategic Plan, essays, a Fellowship survey, and eleven regional motions, among other items.

Along with the *CAR*, we mailed and posted the second batch of material for review and input from the Spiritual Principle a Day (SPAD) Project. Please visit the project page and check it out: www.na.org/spad. Input on this batch is due 1 March 2020.

A number of other items are included in the mailing to Conference participants. The registration and housing form must be filled out by 1 March. The regional report form is due by 15 February. These forms are also posted at www.na.org/conference for download or online completion. We also included a memo that explains how to make travel arrangements, the Conference participant mailing list, and the Delegates Sharing Newsletter (with helpful information for all Conference participants).

Happy Thanksgiving to our US members. Happy reading to all.

Yours in Service,

World Board
