Hello everyone,

We are writing with updates about the World Convention, World Service Conference reports, and the Spiritual Principle a Day project.

### WCNA

We have set the dates for WCNA 38 in Melbourne, Australia: 9-12 September 2021. Most members will need a visa to attend. Typically, visas are good for one year. We suggest that you begin your process of visa application after we go on sale in September 2020.

We are happy to announce that we have finalized a site for WCNA 39. After almost 30 years, the World Convention will be returning to Washington, DC, 29 August – 1 September 2024!

For the latest news about the World Convention, subscribe to WCNA Updates via email: [www.na.org/subscribe](http://www.na.org/subscribe)

### CAR and CAT

Both the Conference Agenda Report (CAR) and the Conference Approval Track (CAT) material have been posted at [www.na.org/conference](http://www.na.org/conference). We have also posted videos that cover the CAR and PowerPoints for both the CAR and CAT material. Please don't hesitate to email [worldboard@na.org](mailto:worldboard@na.org) if you have any questions.

### Spiritual Principle a Day (SPAD)

The second batch of drafts for the SPAD book project is out for review and input until 1 March 2020. You can find the drafts and online forms to submit your input on the project page: [www.na.org/spad](http://www.na.org/spad). Thank you to everyone who gave input on the first batch of entries.

If you scroll down on the project page, you'll find links to send in your own writing on spiritual principles and to hold workshops to generate material for the book. Please, spread the word. Together, we can...write a book!
