Why register?

The monies collected from your registration fees are used to pay for the hotel and convention facilities, associated services for equipment, merchandise, printing of pre-registration packets and other related expenses.

We believe that once participants understand that it is the fees from registration that make this event possible, and that the registration funds collected are used for the planning and implementation of present and future conventions, the reasons for registering become clear. Monies generated at the convention go to help fund the Gold Coast Area's services year-round.
